

8.5x11

← **BLEED MARGIN (8.75x11.25)**

(if images print to edge, they must expand beyond cut line)

← **CUT LINE (8.5x11)**

← **SAFETY AREA**

(DO NOT PUT ANYTHING CRUCIAL OUTSIDE THIS AREA)

If your artwork does not extend past the final cut edge, simply ignore the bleed lines and set your document to your final printed size (e.g., 8.5x11”).

The template is only required if your design touches the very edge of the paper.
